Subject: Proposed Rate Increase

Please examine thoroughly Bell Vista Water Co.'s request for a 27.19 rate increase for it appears on the surface to be exorbitant. Over the years I've seen little activity on the part of this company to improve; to upgrade, to maintain its system.

My understanding is that the purpose of the Corporation Commission is to protect the public from unreasonable prices by a monopoly. This rate increase appears unreasonable. We the public should not have to pay the cost of Bella Vista Water Company's acquisition of other water companies which will increase Bella Vista Water's profits.

Respectfully
Irvin L. Higgs
